

FOOD AND BEVERAGE

AT A GLANCE

Dedicated to serving the specialised corporate and specialty insurance needs of Food, Beverages and Tobacco (F&B) clients, Allianz and Euler Hermes provides a wide spectrum of risk-transfer solutions and services to many of the world's leading F&B Manufacturers, Bottlers, Suppliers and Service Providers.

We offer our F&B clients and brokers an extensive portfolio of complementary products and services through a single point of contact. These solutions cover the range of asset, liability, reputational, product recall and malicious product tampering, cyber and credit exposures faced by the sector participants. Moreover, we look to provide long-term relationships that accommodate the industry's high public profile.

We have invested to ensure that we offer the highest expertise in underwriting, risk management and claims. On the underwriting side, we have sector specialists in the Liability (including product recall and malicious product tampering), Marine Cargo, Property, Credit Insurance, Bonding, Financial Lines and Risk Consulting areas. Equally, the claims service is the litmus test of any client and insurer relationship. The effective management of claims is a vital part of our business and represents a key element of our service to clients.

Allianz and Euler Hermes – covers

- Liability
- Product and Public
- Product Recall & Malicious Product Tampering
- Cargo
- Reputation
- Engineering
- Weather
- Weather Demand Management
- Cyber
- Property
- Credit
- Bonding

We have a highly qualified claims team which serves all client and product sectors. Through working in close liaison with our Allianz network, we offer a worldwide service. We recognise that every claim and every client is different. Adopting a simple and transparent approach based on communication, our aim is to provide exemplary service through direct contact with an allocated claims handler. The team has an excellent track record in the effective leadership and management of large complex claims by providing a fair and consistent approach.
