

SPECIALTY & COMPONENTS MANUFACTURING INDUSTRY SEGMENT AT A GLANCE

Dedicated to serving the specialised corporate and specialty insurance needs of Specialty & Components Manufacturing clients, Allianz and Euler Hermes provides a wide spectrum of risk-transfer solutions and services to many of the world's leading auto parts, electronics, specialty materials and high-spec manufacturers.

We offer our Specialty & Components Manufacturing industry segment clients and brokers an extensive portfolio of complementary products and services through a single point of contact. These solutions cover the range of asset, liability, reputational, product recall, cyber and credit exposures faced by sector participants. Moreover, we look to provide long-term relationships that accommodate the industry's high public profile.

We have invested to ensure that we offer the highest expertise in underwriting, risk management and claims. On the underwriting side, we have sector specialists in the Liability, Product Recall, Marine Cargo, Property, Terrorism, Credit Insurance, Bonding, Financial Lines and Risk Consulting areas. Equally, the claims service is the litmus test of any client and insurer relationship. The effective management of claims is a vital part of our business and represents a key element of our service to clients.

Allianz and Euler Hermes covers
