Tracey Hunt was appointed as the Deputy CEO for AGCS UK in January 2019, reporting directly to Sinéad Browne Chief Regions & Market Officer. In this role, Tracey has oversight across all lines of business, broker and client activity in AGCS UK. Tracey retains her responsibilities as Regional Head of Energy for Regional Unit London.

Tracey joined AGCS in September 2012 as Head of Growth Markets, Energy and has held her current Regional Head role since January 2015. With more than 20 years of experience in consultancy, broking, claims and underwriting in the insurance industry.

CLIENT AND BROKER RELATIONS

Customer focus is at the core of Allianz Global Corporate & Specialty. The principle is simple: to understand clients needs and act on them. Ensuring clients are getting the right risk solutions requires partnership and mutual exchange rather than one-sided marketing.

We achieve this by taking a holistic view to clients' businesses with a team that provides solutions that take all areas of underwriting and services into account.

INTERNATIONAL INSURANCE SOLUTIONS

In an increasingly global economy, multinational businesses have a growing need to access core insurance information across their risk portfolio - this complements their own risk awareness and risk management approach. We have responded to this need through the introduction of myAGCS.com, a customised online web portal which currently provides Allianz International Insurance Solutions (IIS) and Allianz Risk Consulting (ARC) information with additional functionality planned for future releases.

For more information please visit myAGCS.com or your Key Account Manager.
