

AEROSPACE & DEFENCE INDUSTRY

AT A GLANCE

Dedicated to serving your specialised Aerospace & Defence insurance needs, Allianz provides a wide spectrum of risk-transfer solutions and services to many of the world's leading aviation, security, defence systems and related manufacturers, suppliers, and service providers.

We offer you and your brokers our extensive portfolio of complementary products and services through a single point of contact. These solutions cover the range of air, land, sea, credit, pension, employee benefits and space exposures faced by the sector. Moreover, we look to provide long-term relationships that accommodate the industry's comparatively long planning and implementation cycles.

UNDERWRITING

We can provide you with the highest expertise in both underwriting and claims. On the underwriting side, we have sector specialists in the Aviation Products, Property, Liabilities, Marine Hull and Liabilities (including Ports/Terminals), Marine Cargo, Financial Lines, Space, Political Risk, Cyber, Bonding, Credit Insurance, Travel and Risk Consulting. Equally, the claims service is the litmus test of any client and insurer relationship. The effective management of claims is a vital part of our business and represents a key element of our service to clients.

CLAIMS

We have a highly qualified claims team which serves all client and product sectors. Through working in close liaison with our Allianz network, we offer a worldwide service. We recognise that every claim and every client is different. Adopting a simple and transparent approach based on communication, our aim is to provide exemplary service through direct contact with an allocated claims handler. The team has an excellent track record in the effective leadership and management of large complex claims by providing a fair and consistent approach.
