Allianz 

Insurance solutions for the airline industry

Allianz Global Corporate & Specialty® is a leading insurer of airline risks throughout the world. With one of the largest and most experienced networks of Aviation underwriters and claims professionals in the business, we have a strong reputation for providing quality, customer-driven products and services to the airline industry.

Dynamic environment; emerging risks

Globalization, growing demand for mobility, constant technological developments, pressure on costs and quality control combined with volatile fuel prices, weather, and economic and political uncertainties continually alter the landscape airlines navigate. Addressing these challenges requires a partner with experience, global capabilities and highly-skilled Aviation insurance professionals.

Allianz Global Corporate & Specialty has a proven track record in helping airlines protect their assets. With a history in aviation that spans nearly a century, our partners include some of the world's most respected airlines. Whether coverage is needed for a start-up airline or a major flag carrier, we stand ready to help.

Market-leading capacity

Allianz Global Corporate & Specialty's market-leading capacity ensures the financial protection and security airline clients require. We are a major participant in the Aviation insurance marketplace. Our ability to deploy significant capacity on a global scale allows us to provide lead market capacity on the largest of risks.

As a major player in the Aviation insurance marketplace, Allianz Global Corporate & Specialty has the resources and capabilities to provide lead market capacity on the largest of risks.

Allianz Global Corporate & Specialty consistently achieves strong ratings for financial stability: AA ("Very Strong") from Standard & Poor's and A+ ("Superior") from A.M. Best.

The global resources, capabilities and determination to deliver

The quality of the relationships we build with our clients and brokers is a key element in our success. Each is built upon meaningful two-way dialogue, a commitment to delivering on what we promise and a high level of mutual respect and trust.

Allianz Global Corporate & Specialty is structured to provide an exceptionally high level of service. Our global teams work with clients in more than 150 countries, on five continents. This enables us to deploy necessary resources when and where our clients and brokers need them.

Clients and brokers benefit from single point of contact access to a coordinated service team, which includes a market manager and underwriting and claims specialists as well as pilots, engineers and attorneys. Team members are dedicated experts in their fields who understand local market conditions and have the authority and flexibility to make decisions quickly.

Allianz Global Corporate & Specialty is the insurer of choice for a wide range of airlines, including:

National flag carriers	Regional & national airlines
Charter airlines	Low cost airlines
Cargo airlines	Start-up airlines

A broad portfolio of products and services

Responsive claims service committed to protecting our clients' brands

A claim is a defining moment in our service to our clients and brokers. We understand that our response stands to have a direct impact on our client's relationship with its customers. Clients and brokers should expect nothing less than a first class response from us.

We maintain one of the largest, most knowledgeable Aviation claims teams in the industry and have established a market-leading reputation when it comes to handling claims. Our claims approach is one of partnership – always based on dialogue, not debate. Proven systems and procedures provide consistent quality and transparency for our clients. Our global claims network keeps service close to the customer and ensures we have the resources to respond quickly – anywhere in the world.

Our claims professionals, adjusters and surveyors have many years of hands-on experience with Airline claims. They work closely with our clients' teams – focusing on solutions, rather than exclusions. Throughout the claims process, we are as visible or invisible as clients want us to be. Protecting their interests always comes first. The goal is to minimize the impact on the client's business and ensure the best possible resolutions.

Our worldwide network of claims professionals and surveyors are positioned to provide an immediate response.
